

**REMARKS**

Further to the Applicant's request for Continued Examination (RCE) filed August 18, 2005 in the present Reissue, and in accordance with the Examiner's 1-month official action of October 20, 2005 including a request for a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1), the Applicant herewith submits a Supplemental Oath/Declaration signed by the inventor, Angelo SPERANZA, which includes the appropriate language in substantial accordance with that as suggested by the Examiner at the bottom of page 2 of the official action dated October 20, 2005.

In addition, the Applicant notes the Examiner's objection to claim 1, and has corrected the informality by replacing the double brackets with single square brackets as required.

It is the Applicant's understanding that the currently amended claim 1 should read exactly as originally allowed claim 1 from the original prosecution, with the exception of the spelling correction achieved by the above corrected informality. If this is not the case, the Examiner is courteously requested to contact the undersigned attorney of record to discuss the same.

If any further amendment to this application is believed necessary to advance prosecution and place this case in allowable form, the Examiner is courteously solicited to contact the undersigned representative of the Applicant to discuss the same.

In view of the foregoing, it is respectfully submitted that the raised objection(s) should be withdrawn and this application is now placed in a condition for allowance. Action to that end, in the form of an early Notice of Allowance, is courteously solicited by the Applicant at this time.

The Applicant respectfully requests that any outstanding objection(s) or requirement(s), as to the form of this application, be held in abeyance until allowable subject matter is indicated for this case.

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,

Scott A. Daniels, Reg. No. 42,462
